PLACE YOUR LOGO ON OUR WATCHES

In Embix we offer the possibility to have the best visibility of your company to your clients & /or employees.

We have selected our core range and the best options to be personalized.

You can choose within models from Classic to Sporty style.

Possible from 25 units onwards.

Forward us the required color and / or logo.

Our designers will create for you a high resolution draft of the expected result, for your approval before production.

Please contact directly the Sales Manager or the Head office in order to study your project
